

## APPLICATION ACCEPTANCE REQUIREMENTS:

### Adult Essay Form:

A new requirement for all Adult Track applicants is the addition of an essay. This, along with student participants, will aid in determining your acceptance. It will also be of great value to adult track presenters as they begin their workshop content preparations. In other words, we want to serve the need. Please take some time to thoughtfully answer the following questions and submit them and a separate page, 12 point, Times New Roman font, along with your application. We CANNOT accept essays via e-mail.

*Question 1: When you think of the young people you work with, what is the greatest gift you bring to their empowerment in ministry work?*

*Question 2: Knowing the joy of seeing the young people you work with succeed in a leadership role, and knowing that it is important to witness to them your leadership abilities, and nurture your own growth in ministry, how do you strike a balance?*

*Question 3: **For first year applicants only.** When thinking on your current gifts and skills, what would you most like to improve upon and learn more about, if accepted to the Music Ministry Alive! program?*

*Question 4: **For returning applicants only.** When thinking back upon your time at Music Ministry Alive!, what insights or skills are still alive and well, working within you (or not)? Please share an experience.*

### Student Participants

Each adult track applicant must have at least one youth from their parish/school who has been accepted into the youth track. Please note that more than one adult from the same parish can represent a single student. Also, student participants are not required to bring an adult with them to attend the program.
